The recent events have been sobering and unexpected, and I apologize for the embarrassment. This is a stressful time for me, my family, and the community residents. I am confident we will be able to work through this together. I owe it to my family to not discuss this in the press until the matter is resolved. Then, with the agreement of my family, I will make a statement about this very personal matter.

We have worked diligently every day to plan ahead, reduce traffic congestion, and build durable homes and businesses so residents' endeavors prosper. This great work benefitting all will continue. I am taking a few days off and request that communications with the city that would normally come to be directed to the City Administrator, Becky Crofts, bcrofts@middletoncity.com, 208-585-3133.

Sincerely,

A handwritten signature in blue ink that reads "Darin Taylor". The signature is fluid and cursive, with the first name "Darin" and last name "Taylor" clearly distinguishable.
